## **Introduction to the Module**

Communicative English Language Skills II Module is a continuation of Communicative English I Module, and it mainly aims to provide first year University students proficiency with reading, speaking and writing skills. It also aims to help students learn vocabularies that are assumed unfamiliar to them. In the grammar part, with the intention of providing explanations, brief notes are given in each unit.

The module consists of five units with three supplementary reading at the end of the Module. The supplementary readings are included to support ideas included in the reading passages in units 1-3.

Students are advised to read the references put in the box for further learn the grammar points included in the Module.
